If sex education lessons were like this back in the day we might have paid a bit more attention. Although if we had, later on down the line, our other half's might get the shock of their lives when we thought it was normal to bring a condomed covered cucumber into the bedroom! "I have to say it's the first time I've seen one, I was desperate to give it a try," Alexa confessed to us.

GET BANGED!

There's nothing I love more than when my friends get together and have really crude conversations about fucking. It makes my cunt so wet when I hear all the juicy details about other people's sex lives.

Mind you, I'm a pretty horny girl when it comes to doing it for real too! That's exactly what happened when I went into town with my flatmate Lucinda to meet up with a girl from work, Fay.

Being one of the 'virtually married' brigade, Fay doesn't come out with us very often but that week, her boyfriend was away on a training course. This provided us with plenty of opportunity to wind her up about how frustrated she must be without a regular spurt of creamy spunk up her fanny. As it turned out though, Fay was doing fine. "I haven't been going without sex at all," she laughed in her notoriously dirty way. "I still get to fuck Richard every night – we just do it on the phone instead of real life. In fact, we had a quickie on my mobile when I was driving here tonight.

I had to pull over into a quiet side street before I crashed into a lamp post. As soon as he started telling me what he wanted to do to me with his tongue, I just couldn't keep my hands on the wheel!"

This pretty much set the tone of the conversation for the rest of the night, as Lucinda and I pumped Fay for all the explicit details. She could hardly believe that two girls who love to talk about sex as much as us had never called up a guy and got him to ring our bell, so to speak. Judging by how horny I was starting to feel though, I was going to be running up a huge bill in the very near future.

I could feel my cunt juices dribbling messily into my knickers when Fay began telling us all the dirty things Richard whispered as she lay on the bed thrusting her dildo hard in and out of her pussy. As her story got hotter and hotter, I excuse myself to the ladies and locked myself in a cubicle.

I pulled down my jeans and frantically thrust my hand inside my creamed-up panties.

Then I pushed my middle finger deep into my butthole and frigged it roughly, no longer caring if anyone heard me. I wish someone could have seen me coming like that, leaning against the cubicle door for support as I rammed my fingers up my arse and hot pink pussy, my cunt cream dripping down my thighs.

It seems I wasn't the only one turned on by Fay's sexploits either. All the way home, Lucinda and I argued playfully over which of us should get to use the phone first. "I need it more than you do," she grinned mischievously, lifting up the hand which I'd forced up my cunt and licking the juice stained fingers. "That's not fair," I told her.

"By the time you've finished rubbing your fanny against the receiver it'd be too late for me to have my turn. We should call up a sex chatline instead so we get to screw some lucky guy together." Lucinda laughed and said it sounded like it could be fun.

When we got back to the flat, we brought the phone into my vbedroom, switched it onto speakerphone and turned the lights down low I took off all my clothes and lay down on the bed next to Lucinda, who was also naked.

Noticing that her hands were already busy stroking her horny little clit, I dialled up the Singles Hotline myself while she carried on making herself really hot and creamy.

The first few men we spoke to didn't sound too promising, and I was about ready to try a different number when a guy with a seriously sexy Scottish accent appeared on the line. "Hi girls,

We all want to know your wive's and girlfriend's deepest and darkest confessions so we thought we'd do the British thing and just go ahead and ask them! The questions were dirty, the readers (and a few of the Razzle models) replied, and the answers were surprising, shocking and sexy as hell!

What was your best ever shag?

I've had so many I couldn't really pick out a best one ever. I'll tell you about the best one I've had this week instead.

I was waitressing in the cafe where I work. It is a greasy spoon joint next to the local bus sta-tion. Anyway, one of the blokes I was serving had been giving me the eye and making lewd comments every time I served him.

He was good looking in a rough kind of a way, and he looked like a right dirty bastard. I wasn't going to let him get away without at least giving me a throatful of semen.

When I was serving at the next table I bent right over it and stuck my arse in his face. I only had a short skirt on and no tights, so he got a good view of my long bare thighs and pert arse. He pinched my arse and when I came to give him his bill I wrote my number on a scrap of paper. I told him my lunch break was in a quarter of an hour.

He phoned me exactly fifteen minutes later and I told him I'd meet him in the pub next door. It was a quiet place and I'd picked up blokes at work and met them there before.

He came in and bought me a drink. I got straight to the point and told him I only had a twenty minute break and did he want a fuck? He winked and said he was going to the toilet.

I waited a couple of minutes before following him in. I went into the Gents and he pulled me into a cubicle and locked the door. Immediately my skirt was up around my waist and my blouse was wide open. I hurriedly unzipped his trousers to unleash his growing cock.

Going down on my knees, I stuffed it into my mouth and began to suck it for all I was worth. I deep-throated him as his cock expanded, savouring his thick shaft and shiny helmet. When I felt he was rock-solid I got up and bent over the toilet.

He roughly fingered me before lining his cock up at the entrance to my slippery hole. Then he slid about half of his cock inside, stretching me wide. Then he rammed the rest in until he was up to his nuts, knocking the stuffing out of me.

I slapped the back of his thigh and told his to fuck me hard. As he started to shaft me I began to frig myself off, teasing and pleasing my clit. He fucked me just how I like it – hard and fast from behind. I bucked my hips back to match his powerful thrusts, biting my lip to prevent me screaming the place down.

After a few minutes of hard fucking I felt an orgasm approaching. I rubbed my clit a little more firmly as I felt my legs trembling and my pussy beginning to spasm. As I came I let out a moan and my sweet juices coated his cock and ran down my leg.

I was about to tell him to fuck my arse but he'd already had that idea. He pulled his cock out and replaced it with three fingers. He delved them around inside my juiced-up snatch and scooped them out again. Then he smeared my juices all round my puckered little arsehole and lubed it up.

I relaxed my arse as he drove his cock right up it. Then he began slamming in and out. I cried out in appreciation as he rode my arse. I could tell he was on the verge of cumming and I said I wanted to drink his spunk.

With that he pulled out and I turned round. I took his cock deep in my throat and wanked him with my mouth. He grasped the back of my head as he fired his jism right down my throat. I guzzled it greedily and sucked his cock and balls clean of spunk and pussy juice.

Have you ever had sex with a woman?

I had my first lezzie experience when I was 16 and since then I've had a number of lezzie flings, though I've never actually had a girlfriend as such.

The last time I had a woman was a couple of months ago when I was out in a club on the pull. I was at the bar getting a drink when this girl introduced herself as Maria and started talking to me. I could tell

visit www.paulraymond.xxx

FESSIONS

she was chatting me up because she was being very flirtatious and touchy-feely. I hadn't had a lezzie session for a while and she was very horny, so I allowed her to sweet-talk me.

Before long she had me in the corner

'Then he smeared my juices all round my puckered little arsehole and lubed it up. I relaxed my arse as he drove his cock right up it'

and we were kissing. She had her hand on my thigh and she kept inching it up my skirt towards my pussy. In return I was stroking her breasts through her flimsy top, making her nipples go hard. When she asked me if I wanted to go back to her place for a drink I readily agreed.

Back at her flat she poured me a drink and put on a porn flick. She sat next to me on the sofa and we watched two girls going at each other. My pussy was getting wet and my clit throbbed for some action as we watched the porno. I started to gently rub my pussy. Maria noticed what I was doing and leaned across to help me.

I moved my hands away and let her do it all herself. She unbuttoned my trousers and pulled them off. Then she slipped my sopping G-string off and spread my legs wide. She knelt down between my legs and gently kissed the insides of my thighs.

I quivered as her tongue moved its way slowly towards my cunt. She found my clit ring and licked all around it. My clit is ultra sensitive and her expert tonguing was really turning me on. I lifted my legs up in the air, allowing her total access to my cunt.

She really knew how to give a girl pleasure. She brought her hand up to stimulate my clit as she licked deeply into my pink hole. I writhed and ran my fingers through her hair as she brought me to my first climax, my juices showering out of my pussy and over her mouth and chin.

Then she shifted me onto the sofa and clambered on top of me in the sixty-nine position. Her pussy and arse hovered above my face and I stretched forward, eager to get a taste. As I began to tongue her sweet hole she shifted her weight downwards so her pussy was right in my face. Keen to return the pleasure she'd given me, I licked her plump lips and flicked my tongue over her hard clit just the way I liked to be eaten out.

We were both moaning as we simultaneously gave and received oral pleasure.

The intensity of her moans increased and I knew she was soon going to cum. Burying my face still deeper into her cunt, I forced my tongue as far as it would go into her juicy hole and circled it around.

Then, just as she was about to cum, I slid a finger into her arsehole. This brought her orgasm upon her and I could feel her holes contracting as she climaxed. Her love honey cascaded over my face and I savoured its taste.

When we'd recovered from that incredible sixty-nine she took me upstairs and introduced me to her dildos, her handcuffs and her strap-on. I enjoyed it when she handcuffed me to the bed and fucked me with her strap-on, but my favourite was when we fucked each other with a massive double-dong.

She took one end in her cunt and I sat opposite her as she fed the other end into my pussy. Then we bucked and fucked till we were delirious with joy. Since then I've bought myself a double-dong. I haven't had the chance to test it yet - well, only on myself – but I'm hoping too soon!

Have you ever had a threesome?

I'm bisexual so I get more chance of threesomes than most people. Also, I'm quite up front when it comes to sex and if I see someone I fancy I'm not afraid to ask them if they want a fuck. The way I see it, the majority of people want to fuck the majority of other people, so if we all just admitted it we'd all get to fuck as much as I do. Which is a lot, believe me.

The last time I had a threesome happened one night after I met a couple in a bar. I was having a drink with a group of friends when I spotted a young couple getting quite horny with each other in a snug corner. The sight of them kissing and rubbing each other up got me really wet and I really wanted to get them both into my bed. I kept looking in their direction and managed to catch the eye of the girl once or twice.

When the bloke went up to the bar I went over, sat in his seat and started chatting up the girl. Her name was Suzie and she looked about 19 years old. She

I'm Rob," he said "How would you two like to fuck a cock that's harder than Edinburgh rock?"

"Rob, that sounds really great," I purred,

"but you've got to get us all excited first. What would you like to do with us?" Rob was only too keen to play our naughty little game. "Girls, I'm slowly stroking my hands over your big firm tits and playing with your nipples until they're really hard – do you like that? Oh yes... from the way I hear you groaning I can tell that you do. Now I'm sliding my hands lower, down past your cunt hair and between your legs. Would you like me to slide my fingers past those pink pussy lips and push them right up inside you? You're so wet I don't think you want me to stop."

As Rob talked to us, Lucinda and I lay gasping and writhing against one another on the bed, fingering our sticky cuntholes At first we watched one another as we frantically masturbated but before long Lucinda and I were kissing as she stroked my juice soaked cunt lips.

I don't know many other girls that I want to fuck, but Lucinda is just so cute I can never resist the urge to slither my tongue deep inside her hot juicy snatch. This time she wanted to be in control. She straddled me with her legs so her pussy was in line with mine and began rubbing herself against my swollen clit, soaking me with her creamy wetness. "We're going to make this threesome a little bit hotter for you now, Rob," she said "I know you'd love to see two girls getting really dirty together.

I bet you want to watch me giving Elle a good fanny licking while you spunk your creamy come in her mouth. Isn't that right, Rob?"

It certainly was! I could hear Rob panting and the sound of his fist as it frantically pumped his hard cock. "Not so fast, baby,"

I said. "You can't come yet – I haven't even started sucking off that gorgeous stiff prick of yours. I want you to cover my tongue in your hot white spunk." But it was too late.

We heard Rob groan in ecstasy as his cock spurted its load, and then his line went dead. What the hell were we going to do now?

Knowing I never like to miss out on a good cock sucking session, Lucinda thought it would be great fun to tease me a little. "Don't worry Elle," she grinned wickedly. "Now Rob's had enough of our fantasy, I guess we'd better find someone who can do it for real."

Stroking my sticky fanny lips with one hand, she reached for the phone with the other and dialled a number. "I need you right now," she whispered seductively into the receiver. "I've got a friend here who I think you might be able to help out. But she's got to practise her tongue on me first."

Before I could begin to laugh, she parted her thighs over my face and thrust her pussy into my welcoming open mouth.

Grasping her gorgeous firm arse cheeks I pulled her towards me even harder so I could feel her wetness sliding all over face.

My tongue easily parted her creamy cunt flaps and slid deeply up her delicious little honeypot, making her gasp and writhe with pleasure. She rode my tongue like it was a cock, grinding her pussy faster and faster against my face until I felt her coming, her hot little cunthole throbbing juicily on my lips.

Still gasping for breath, Lucinda slid off my pussy-soaked face and pulled me onto the carpet. She forced me up onto my knees, then reached for one of my silk bondage ties and blindfolded me with it.

"He's going to be here any minute," she said mischievously. "I don't want to spoil your fantasy of sucking off a stranger's cock."

I gasped as she began probing my clit with her long, soft tongue. As she sucked my juicy little button, I could feel something hard and smooth being eased up my pussyhole. I moaned in pleasure as I felt my cunt lips stretching around it, instantly recognising my favourite dildo.

Reaching down, I put my hand over Lucinda's to force the vibrator as deep inside me as it would go, and together we began thrusting it in and out of my hot, slippery fanny. I was in such uncontrollable ecstasy that I never even heard the door open.

"That's just for starters," she whispered.

"I know there's something you'd like to suck even more." She guided my head forward until I felt something unmistakably warm and stiff pressing eagerly against my lips. Until this point, I really thought she'd been winding me up, and you can imagine that Lucinda had to grab my hands to stop me ripping off the blindfold.

"Don't stop now Elle," she said. "I'd really love to watch you sucking a gorgeous hard cock. And I know how much you want to taste the creamy spunk spurting into your mouth." As she spoke, I felt a drop of sticky pre-come dribble from the tip of the cock onto my lips, and my cunt flooded once again.

Unable to control my lust any longer, I parted my lips and my mystery man pushed the length of his cock deep into

my mouth. Grasping the base with one hand, I slowly pumped his thick shaft in and out as I teased my tongue across the tip of his swelling cock. As I felt him grow harder, I began sucking him off, licking faster and faster as I caressed his heavy balls.

Meanwhile, Lucinda resumed the good work between my legs, rubbing and licking my clit until I was groaning so much I almost lost my rhythm.

The cock in my mouth was really big now, and its salty pre-come dribbled deliciously onto my tongue as I sucked deeply on the glans. Then I felt the man's hands grasp the back of my head as he began fucking my mouth with his huge stiffy, grunting in satisfaction as he rammed it in and out.

With one final thrust, his cock cream spurted into my hungry little mouth. Greedily I swallowed as much as I could, but I could feel his juices overflowing from my lips and dribbling down onto my breasts. Lucinda licked the come off my nipples as we collapsed together on the floor, still panting with excitement.

SUNDAY ROAST!

Last summer started really well for me when I went to the local park with my friend Kelly on a blazing hot Sunday. We are both quite tall and slim with long legs.

I'm a brunette and Kelly is blonde. We both got plenty of stares as we walked to the park and when we got there we found a place to sunbathe near a copse of trees and opened a nice cool bottle of white wine from the offy

Our conversation turned to men and we swapped stories about our sex lives.

Before too long the details were getting quite raunchy. As we chatted, Kelly leaned closer to me, even though there was no one near. "You know the other week when I left the club with Paul and James," she whispered. "I let them both fuck me."

Lucky cow!

"Oooh, you've got me all moist with your story," I said, only half joking.

As I touched her she talked about what she'd done and as she got to the bit where she'd sucked Paul's cock in front of James I began to smooth my fingers purposefully against her flesh and edge them further up her skirt.

I edged closer to her panties, gripping her inner thigh and felt her legs part slightly. Then my hand was brushing against the cloth of her panties and I could feel the moist warmth emanating from her.

She turned to me and smiled, her blonde hair tumbling over her face. Her body was tensing and I could feel her trying to push her pussy towards my hand.

"I must tell you what happened next," she purred and as she started to speak (a little breathlessly) I eased the edge of her panties aside and slipped a finger inside.

My God, she was soaking and my index finger slipped into her so easily. But I'd heard enough of the story so I slipped out again to explore her sensitive pussy lips and the little nub of her clit. She was really turned on and soaking wet. Her honey had soaked her crotch and dribbled down along her bum crack. The petals of her pussy were swollen and I ran my finger between her folds, But I couldn't resist dipping into her honey pot again and she visibly jumped as I pushed my middle finger into her, just as she was murmuring how Paul had slid his cock into her from behind while she'd sucked James's tool.

As I worked my finger in and out her story began to tail

off and was replaced by sweet little whimpers. Moving myself slightly under the towel I smoothed pussy juice up to her clitoris. It was swollen and as I lubricated it with love juice Kelly had to bite her lips to hold back her moans. I circled her juicy bud with my forefinger while my middle stayed locked inside her and as I brought her closer and closer to coming I felt her pussy walls contracting round my finger and new juices pouring down onto my hand.

"Come on," I said, pestering her.

TRUE CONF

...CONTINUED FROM PAGE 25

was clearly not as innocent as she looked because she was being very flirtatious in her answers to my questions. When I asked her if I could join her and her boyfriend for at least a drink she looked me in the eye and nodded, smiling.

I went up to the bar and stood next to her boyfriend. I said hello and told him my name. Then I told him I thought he was fit and would like to take him to bed some time. He had no idea who I was but looked quite chuffed with himself when he walked off with his drinks. Then when I pulled up a chair at their table and Suzie introduced me to him, Steve had the look of a lottery winner.

We chatted over a few drinks, during which time I was very up front with both of them. I made it clear that I wanted them to come back to my place for threesome sex, and outlined exactly how exciting a prospect that was for them. They seemed to agree with me, because an hour down the line they were well up for it.

We got into a taxi and headed to my place. I suggested that they go upstairs and get comfortable, saying I'd join them later. When they'd gone I pulled off my soaking pants and slipped a finger into my pussy, which was crying out for some attention. I thought about the sexy couple fucking upstairs in my bed while I plunged two fingers in and out of my cunt and bashed my clit with my thumb. I was so turned on I came in seconds.

I left my soaked pants on the floor and padded upstairs in just a short skirt and bra-top. I was creaming in anticipation as I stood outside the door listening to Suzie moaning. When I pushed it open I was greeted by a fucking horny sight.

They were locked in a wet sixty-nine with Suzie on top, and I got a great view of her firm arse and pink lips as Steve plated her.

I stood for several minutes just watching them go at each other. Dropping my skirt to the floor, I began to rub myself up as I watched. Suzie was letting out a constant muffled moan as she crammed as much of her boyfriend's cock into her mouth as she could.

At this point I just had to join in. Getting onto the bed, I leaned over and deep- kissed Suzie. Then I started rubbing Steve's balls and helping Suzie suck him off. We both ran our tongues up and down his shaft,

'When they'd gone I pulled off my soaking pants and slipped a finger into my pussy, which was crying for attention'

taking turns to take it deep in our throats. It wasn't long before Steve said he was about to cum. I wanked him to a climax and he shot his load all over his girlfriend's face. I then took his dick in my mouth and drained every drop of spunk from his balls, before passing it by mouth to Suzie.

Steve then lay on the bed recovering and watching as me and Suzie started on each other. I bent her over and kneeled down behind her, spreading her cheeks wide.

Then I slowly inserted a finger into her slippery pussy and licked all around it. I followed it up with a second finger and then a third. She gasped as I furiously fingerfucked her and licked her pussy.

When she came it sloshed out over my wrist and I slurped up her sweet juice.

Then I lay on the floor with my legs spread wide and she returned the favour. Steve was rock-hard again after watching our lesbian show and he lay back on the bed slowly wanking his big cock.

I dragged Suzie on top of me in the sixty-nine position. Then I beckoned Steve over. He lined his cock up and slid it into his girlfriend's juicy cunt. As he began pumping in and out of her right in front of my face I darted out my tongue to lick his balls and shaft. As she was getting fucked from behind Suzie was giving my clit a good licking.

After Suzie had cum messily all over Steve's cock and my face, Steve pulled his cock out of her cunt and smeared some juice on her arsehole. Then he squeezed his cock up her tight arse. As he carefully

began inching it in and out I was able to suck on her pussy. This was driving her wild. She was making one hell of a row as her boyfriend fucked her arse and I plated her cunt.

This horny action continued until Steve suddenly pulled out and with a yell came all over Suzie's arse and pussy and my face. I licked her clean and then took

Steve's cock in my mouth and sucked all the juices off it. We were all fucked after that filthy romp, but not too fucked to get cracking again after a porn video break.

What is your favourite sex act?

Men and women always give my breasts a lot of attention, probably because they are large and firm and are usually the first thing you notice about me.

I don't mind this because I love having my nipples sucked, especially while my clit gets stroked.

I often grease up my tits and invite a bloke to stick his cock in between them.

Then I rub them up and down, licking his bell-end when it comes within range of my tongue. They always love this and start pumping back and forth, fucking my tits in a frenzy.

When they are about to cum I tilt my head up and lean forward, hoping to catch the lovely thick cum in my mouth or get it in my face. Then, when they have decorated my face, neck and tits with spunk, I take their cock in my mouth and lick every drop of sperm off.

After that I have the enviable task of getting their cock nice and hard again so I can enjoy a good shafting. To do this sometimes I will put on a masturbation show, rubbing myself to orgasm in front of them while their cock grows hard again. This gets them ready and gets me horny as fuck too! Another enjoyable way is to lick their balls and very gently toss them off before taking their semi-hard cock in my mouth and sucking it back to life.

This always guarantees a rock-hard boner, meaning I can get what I want most of all – a good, hard fucking!

What was your best sexual experience?

My most exciting sexperience was when me and my husband went to a large sauna club. Everywhere I looked were cocks – small ones and fat ones.

I got in the jacuzzi and let the bubbles stimulate my pussy. Soon after we got in more and more blokes got into the tub. I got excellent close-ups of their tackle.

I loudly said to my husband that we should go to the rest room. I made sure all the blokes heard me.

In the rest room I got on the bed with my legs up in the air. My hubby covered me in baby oil, rubbing it all over my tits.

He started to lick my clit. As he did so we heard the door open and in walked a guy, asking if he could watch. I looked at my hubby and he looked at me.

Then he said, "OK mate!" The bloke dropped his towel to reveal the biggest cock I had ever seen. It must have been a full nine and a half inches long!

I gulped and my husband challenged the bloke to get it up my tight cunt. I was very wet and I did not need to be asked twice – I had to have that cock!

He got on the bed with his dick dangling over my cunt. I sat up and put the head in my mouth. I could feel it getting hard immediately and I had to take it out of my mouth.

It was a huge organ and I was scared of it. It was like a truncheon. The bloke hooked my legs back and my hubby stood up to let him fuck me.

I watched as his cock started to slide intto me, thick and strong. He started pumping away and I could tell he was going to fuck my brains out.

I was in heaven watching and feeling this mega cock pump into my pussy. All of a sudden there was a knock at the door.

My hubby opened it to another two blokes who wanted to fuck me.

My hubby let them in and when they dropped their towels it turned out they were almost as big as the other guy. My hubby closed the door and got on the bed.

I started wanking him off while the other bloke stuck his cock in me. The other chap was getting a hand-job as well.

I was loving it as four blokes took it in turns to fuck my tight pussy. The bloke with the big cock fucked the living daylights out of me.

When he came I thought he was going to blow me through the table. When they'd all finished I let my husband decorate my face with his spunk.

Another debutant in the form of Kimmy K, and she was a very excitable MILF to say the least. "I had such a blast, I really didn't know what to expect, but my expectations were exceeded. And when the photographer asked me if I wanted to play with a vibrator my heart almost jumped out of my chest. I only ended up having two or three orgasms!!!!"

"Let's go back to her flat. Can we get Paul and James round?" and soon I managed to get her up and get me home.

When we got back I got her to phone the boys and invite them round for "a drink on the patio." I was buzzing and not sure if I could wait that long so as soon as Kelly got off the phone I grabbed her and pressed my lips to hers. She responded with a lovely tonguey kiss which made me thrust my pussy against her.

I was horny as hell and pulled her across to the bed, pulled off my skirt and Kelly's too and sat her in front of me. I smoothed my palms down her tight tummy, hooked a finger round her knicker elastic and had her panties off in a movement.

"I've had some fun – how about you now?" whispered Kelly and moved round behind me, caressing my body, easing my panties further off my backside with each movement. She was teasing the fuck out of me as she massaged my tits and I was dying to be touched right where it counted.

I felt her warm animal-like breath and then the beautiful movements of her tongue on my cunt. Waves of pleasure shot through me as the afternoon's sexual tensions were exorcised and before long little spasms started to make my body squirm.

Then there was a knock on the door and I heard James call Kelly. As I looked up she lifted her face, smeared with my pussy juice, and called, "Come in." I was too far gone to care and I guess they knew what to expect from Kelly. Without a word the two of them approached me as I lay there.

They unbuttoned their jeans and stood over me.

"You know the story I told you earlier. Well, now it's your turn," Kelly told me softly. Her story had really turned me on so I decided I was not going to hold back.

James was nearest and I turned towards him, grasping his shiny cock halfway down the shaft and cupping his balls with my other hand. I looked up at him so he could see me lick my lips and then I buried his cock deep in my mouth, using plenty of saliva to massage his length with.

I switched between sucking him up and down and licking around his knob.

Between each licking I would blow warm breath on his shiny helmet and then return it to my mouth, imagining it as a soft wet pussy. He must have thought of it like that as well because soon I could feel his rigid shaft begin to swell and pulse.

A movement behind me and I felt Paul grab my hips, then his hands move round to my back, down along my bum crack. His fingers brushed past my pussy and I pushed back.

He seemed to sense this and, grabbing me firmly by the bum, he pushed my cheeks apart and I felt his knob nestling in the wet folds of my pussy for a second.

Then he forced it in hard and I squealed with pleasure as the velvety moistness of my pussy enveloped his rigid member.

He began to shaft me slowly, savouring the whole length of my sticky tunnel. He curled his arm around me to reach my clit and began to circle my swollen rosebud. I began to moan as his shafting got harder, in time with the massaging of my clit and soon I could feel a strong tingling radiating from my pussy as it was shagged and frigged simultaneously.

I was in heaven. On my hands and knees, I was being fucked hard as Paul held me tightly from the rear, and in my mouth I had James's cock. I had forgotten about Kelly until I sensed her next to James, whispering, Suddenly they pulled out and threw me onto my back, panting and limp like a rag doll but reaching out to try and get the boys to fuck me again.

"I want to watch them spunk over you," said Kelly, almost sternly. James came and knelt between my legs, grabbed my ankles and lifted my legs to his shoulders.

My pink pussy was really exposed, moist and open, ready for James's big cock to slide in. He held my waist and hammered it into me while Paul knelt in front of my face and pushed his cock towards me. I took him deep in one movement. He grabbed the back of my head and started to fuck my face, caressing my long, soft hair as he did it.

Soon I felt both their throbbing dicks begin to swell. Kelly appeared above me and as James fucked me she fingered at my clit. This got my pussy muscles contracting and I wrapped my legs around his waist to pull him further into me.

As Kelly frigged my button faster my pussy convulsed and a massive orgasm pulsed through me, making me buck like crazy. James couldn't stop himself now, pulled out and spunked all over my pussy, rubbing cream into my syrupy wet folds.

This set Paul off and I felt his cock go rock hard in my mouth. He pulled it away from my mouth and wanking his dick, leaned forward and shot his hot spunk over my face and tits. Kelly was so turned on she leaped on top of me, kissing my spunk smothered face and our bodies writhed together until she was as sticky as me.

As she lay there smoothing the spunk into my body I closed my eyes and hoped that summer would last forever.

TWIN WATCH - *PRIVATE*

Starring: Anita Bellini, Sienna Day, Cassie Fire, Belle Claire, Eveline Dellai and Silvia Dellai.

Summer is here! Beaches are full of people, and it's really necessary to have a good team of lifeguards to keep them safe. So we have created the Private Baywatch Team. Marc Rose is the leader, and he has in his team the twins Silvia and Eveline Dellai, as well as Belle Claire, Cassie Fire, Anita Bellini and Sienna Day, who has her own float. Last, but not least, the new member of the team, the black Cuban stud Jesús Reyes, who is very well armed for this job. The girls will not hesitate to enjoy his big black cock at all times, no matter what. TwinWatch, a movie in which the rescue methods are a bit out of the protocol, but for sure can bring anyone back to life. Interracial sex, orgies, anal, DPs and facial cums in this new film by Private to make sure your summer is hot and full of vice."
